A consistent winner on the "Top List of Beaches," is St. Pete Beach. You'll find the posh, historic Don CeSar Hotel - aka the Pink Palace overlooking the beach, a dose of nostalgia along with modern-day amenities in the resort town of St. Pete, beach shacks serving surprisingly tasty food at very affordable prices, and water sports equipment which can be rented along the various beaches.

Our beach transportation drop off and pick up will now be at the Don CeSar Hotel!

Experience Dale Chihuly's permanent glass exhibition, [The Chihuly Collection](#), (click on the link for ticketing prices) in downtown St. Petersburg. Dale Chihuly's works belong to museum collections from the Metropolitan Museum of Art to the Louvre. His installations have hung over the piazza and canals of Venice. But, his permanent collection resides in downtown St. Petersburg at the Chihuly Collection presented by Morean Arts Center, a gallery designed precisely and permanently for displaying his works, a true Chihuly museum.

Our arts district drop off and pick up will be at The Chihuly Collection.
